

Indian Jones

(Team Building)

😊 = good block
□ = start at beginning
S = scramble (new game board maze)

Directions: *(use masking tape to layout game board)*

- *no one may talk (students should watch and concentrate on the successful maze path)*
- *one at a time, student steps on a block and tries to get through the maze*
- *the leader will smile if it is a safe block or shake his/her head “no” if the block is not good*
- *if the block is safe, the student may go to another block which must be adjacent to the block on which he/she is standing (up, down, left, right or on the diagonal)*
- *at any time, if the student steps on a blank block, he/she must go back to the beginning point*
- *if at any time, a student steps on a “scramble” block, a new maze board will be used and another student will try to get through the maze*
