

# LEGISLATION

By using a legislation format for activities and projects, students are taught how to state objectives for events. They learn

to put into words why they should be allowed to have an activity or project. In addition, this form allows an advisor to teach students how to write legislation. It also archives all of the actions of your organization.

*"Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has."*
