

Student Council...

A Student Council is...

an organization of students (elected, appointed, volunteer), who meet on a regular basis to serve the needs of the student body.

It is Composed of...

officers, members/representatives, committees, and an adviser . . .

By Doing...

projects, activities, and programs

Who Work with...

students, principal, faculty, committees, members, parents, classes, community, and others

To Reach These Goals:

leadership, human relations, fun, sharing, service, citizenship, achievement, personal growth, learning, and a better school

This is what I think about Student Council...
