Greetings Executive Board

There is a superhero inside all of us. We just need the courage to put on the cape!

***** IMMEDIATE ACTION *****

• **Special State Charity Event at Convention:** BRING IN THE CANNED FOOD!! Delegates from each region should bring in cans or funds to nominate a delegate or advisor from his/her region to participate in the "Hunger Games" challenge (1 can or \$1 = 1 nomination). The person with the most nominations in each region becomes the tribute to represent their region. Tributes are able to opt-out by bringing in cans or money that balance out how much was raised in their nomination. On Thursday evening during recreation time, tributes will compete in five "minute-to-win-it" challenges. The region that earns to most points after all five challenges wins a prize! Of course, the real winners are the food banks and the Maryland people needing the food! (There is another service learning project on Wednesday evening and some other fun state charity awareness activities!) See details under "Other Information – Important" on the convention website!
