***** IMMEDIATE ACTION *****

• **Action by Saturday, March 18th – Convention Registration Opens Friday, March 3rd:** As we continue our MASC 2016-2017 theme of “Super Heroes, League of Leaders,” the 2017 Convention of the Maryland Association of Student Councils (MASC) promises to be a wonderful experience for student leaders from all over the state with a theme of “Leaders by Day, Super Heroes by Night.” The MASC Convention begins late afternoon of Wednesday, April 5th and concludes at 11:30 a.m., on Friday, April 7th. Member schools may register to attend. Registration is open March 3-18-2017.

• **Special State Charity Event at Convention:** Delegates from each region should bring in cans or funds to nominate a delegate or advisor to participate in the Hunger Games challenge (1 can or \$1 = 1 nomination). The person with the most nominations in each region becomes the tribute to represent their region. Tributes are able to opt-out by bringing in cans or money that balance out how much was raised in their nomination. On Thursday evening during recreation time, tributes will compete in five “minute-to-win-it” challenges. The region that earns the most points after all five challenges wins a prize! Of course, the real winners are the food banks and the Maryland people needing the food! (There is another service learning project on Wednesday evening and some other fun state charity awareness activities!) See details under “Other Information – Important” on the convention website!

• **National Student Leadership Week – April 16-22, 2017:** *Student leaders are “Making a World of Difference” in schools and communities during National Student Leadership Week, April 16-22. Plan your celebration now! Sponsoring organizations NASC, the National Honor Societies, and their parent, the National Association of Secondary School Principals (NASSP), invite schools to recognize student leaders for their outstanding achievements and efforts to improve school climate through their activities. This year’s theme supports the NASSP student leadership initiative on global citizenship. Be sure your students know about this year’s video challenge too. Visit the NASC website to learn all about it. You’ll also find resources and ideas to plan how you can celebrate your student leaders. Share your activities via social media using #NSLW17.*

***** **RESOURCES** *****

NASSP Tips and Tools – Writing an Effective News Release: *NASC councils host astounding service projects, but some may go unnoticed by many in the local community without a news story. With online, print, and video options, local media outlets have become more amenable to share word about the great things student councils are doing. Still, the strength of the stories is often up to the writer. In school districts without trained public information officers, the task of sharing your council’s good news may fall to the advisor or student publications coordinator.*

Check out the NASC Communications Toolkit and other Public Relations/Publicity resources.

Elections: *Many SGAs have elections in the spring. It is never too early to review your election guidelines and timelines. “Election time can be a stressful time for both students and advisors. It’s a risky thing for a student to put him or herself forward and risk losing. Sometimes when a student loses, it’s easier to blame the process than to accept that voters preferred another candidate. Advisors who don’t carefully control the election process to assure fairness for all candidates and promotion of the democratic process open themselves and their school to possible criticism from students, faculty, and parents.” (Sue Dowty, “Election Methods,” Leadership for Student Activities, NASSP, November 1996)*
