

A

Envelopes may only be opened when you are told....

- You have been given an envelope labeled with the letters "A, B, C, D or E" (the pieces inside are also labeled so that the pieces can easily be returned at the end of this activity).
- You are in a group of five, each group having the same color on their envelope.
- This activity is a puzzle that requires cooperation and team work.
- Each person should have an envelope containing pieces for forming squares. At the signal the task of the group is to form five squares of equal size. The task is not completed until everyone has before him or her a perfect square and all the squares are of the same size.

Rules: No member may speak. No member may ask for a card or in any way signal that he/she wants one. Members may give cards to others.
