RE: MOCK PRESIDENTIAL ELECTIONS
WHEN: Monday, November 2, 1992

KCrawford

Attached you will find Presidential ballots for the students in your homeroom class. On Monday, November 2nd, each student should get one ballot to vote for the Presidential candidate of their choice.

In World Studies, students have been discussing the issues that are important in this election. Students have been watching the debates as well as sharing their opinions about the candidates. The "electoral college" system of choosing the president has been examined. As we approach election day, students should be ready to cast their ballots.

The SGA representative in your class should tally the ballots and bring their results to the SGA Advisor BEFORE 8:10 on Monday, November 2nd. There, the SGA Executive Officers will tally the Team and overall school results. At the end of the day, we will announce the final results.

Thank you for your cooperation. Questions may be addressed to the World Studies Department Chairman or the SGA Advisor..

PLEASE RETURN THE TALLY SHEET BELOW TO THE SGA ADVISOR BY 8:10
