Commitment Contract and Code of Ethics/Diversity Statement

As leaders, we must be continually aware of our actions and their effects. In order to make an impact we must exercise an awareness of responsibility to ourselves, to the organizations with which we are associated, and to other people. This code was developed through a cooperative process involving the MASC Executive Board, state officers, and regional advisors.

As leaders we will:

- * Serve as role models to our peers and set an example for all to follow.
- * Be inclusive of all students while advocating, involvement, and participation in various activities.
- * Maintain a high level of respect towards others and ourselves.
- * Strive to be committed leaders and encourage others to reach their full potential.
- * Remember that part of our leadership responsibilities include helping, training, and encouraging future leaders.
- * Fulfill our role as a person whom others can count on and whose word is solid and trustworthy by refraining from cheating, stealing, or lying.
- * Realize that our actions directly impact the integrity and credibility of MASC.
- * Maintain the high integrity that MASC has achieved.
- * Abide by all rules and procedures laid out by our host facility and organization

MASC Diversity Statement: MASC does not discriminate on the basis of race, color, religion, sex, age, ancestry or national origin, familial status, marital status, physical or mental disability, sexual orientation or genetic information in its programs and activities and provides equal access and a welcoming environment to all groups.

By signing this form, I pledge to fulfill my duties as assigned to the best of my ability, and will commit myself to attending Executive Board meetings and major MASC events as scheduled on the yearly calendar. I am committing to agree to abide by this Code of Ethics and MASC Diversity Statement.
