

FALL LEADERSHIP CONFERENCE UPDATES

Fall has already begun and November is just around the corner. MASC is thrilled to be hosting its first virtual Fall Leadership Conference (FLC) on Saturday November 14 and you won't want to miss it! Thanks in part to the MASC Mental Health Affairs Coordinators and the MASC School Safety Liaisons, this year's conference will have a mental health focus. But you can expect the same engaging workshops with valuable resources and leadership experiences on an array of topics so check out the workshop list for details. Registration is now open and will close on October 31 at 11:59pm. MASC cannot accept late registration for any reason. We can't wait to see you there!

Fall Leadership Conference

ENGAGING WORKSHOPS
networking opportunities • resource sharing

A CONVERSATION ON MENTAL HEALTH
keynote speaker • panel discussion

REGISTRATION IS CURRENTLY OPEN!
Registration closes October 31 at 11:59pm

MASC AND CORONAVIRUS (COVID-19)

All MASC events are currently being hosted virtually.

MASC is closely monitoring the rapidly evolving situation regarding COVID-19. Student health and safety has been and remains our main priority.

For additional information and updates please visit our website, mdstudentcouncils.org

HOW TO GET INVOLVED

MASC gladly welcomes all student input and participation. We encourage students to become active members of MASC by attending Executive Board Meetings and by being certified workshop presenters. Check our calendar or contact us for upcoming meetings and other MASC events.

MASC CELEBRATES DIVERSITY

MASC does not discriminate on the basis of race, color, religion, sex, age, ancestry or national origin, familial status, marital status, physical or mental disability, sexual orientation or genetic information in its programs and activities and provides equal access and a welcoming environment to all groups.

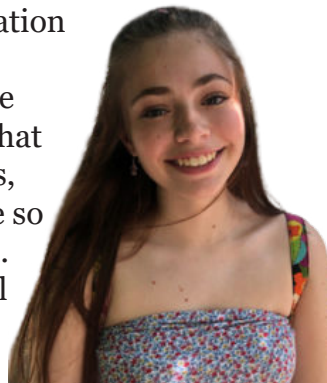

DISCLAIMER

All events, dates, and times are current at the time of publication, but are subject to change. Please check our website for the most up to date information on events, registration, and more.

MASC STAFF MEMBER HIGHLIGHT

This month, we're highlighting one staff member that is out of this world. Maddie Henn is this year's MASC Student Workshop Coordinator. She has been working incredibly hard to ensure that every MASC sponsored workshop meets the organizations high standards for presentation and effectiveness.

She is working overtime to help ensure an amazing Fall Leadership Conference that everyone will be sure to love. The directors, officers, and appointed staff members are so grateful for her contributions to the team. We wouldn't be able to pull off our virtual workshops without her hard work and dedication to the students of Maryland.

MASC SPIRIT WEAR

Spirit purchases will remain available online until in-person conferences reconvene.

MASC has now partnered with EVERYLOCKER, so you may also order online for direct shipping to your home! Visit the EVERYLOCKER website:

MASC GREEN GOALS

By: Ember Carrera and Henry Meiser,
Environmental Affairs Coordinators

What is the Green Challenge of the Month?

The Green Challenge of the Month is a new initiative led by the MASC Environmental Affairs Coordinators, Henry and Ember. Each month, a new “challenge” will be published in the bulletin for students to work towards!

OCTOBER GREEN CHALLENGE

The Chesapeake Bay and its tributaries (rivers, streams, etc), is one of the things that puts the Maryland region “on the map”! Whether you are right near the water or not, it is very likely that there is a stream, river, or canal in your county that connects to the Chesapeake. Known for its accessibility to boaters, good weather, and competitive sailboat racing, The Chesapeake has become considered one of the nation’s finest waterways. In addition to the personal luxuries of the bay, it also is one of the largest supporters of the Maryland economy.

Although the “health” of the Bay has become much better in recent years, there is still a long way to go! This month your #mascgreengoal is to research current initiatives in Maryland that are in place to help the Bay, as well as how you can mold these initiatives to specifically help your county!

Record your progress by tagging @md.stuco and by using the hashtag #mascgreengoal.

FEEDBACK

The publications coordinators work hard to produce high quality and informative publications each month.

Please scan the QR Code and take a few moments to fill out the form.

Thank you!
