

HAPPY HOLIDAYS and warmest wishes for 2021

Have a restful and safe winter break.

~The MASC Publications Team

DECEMBER EXECUTIVE BOARD MEETING - RECAP

On Saturday, December 12, MASC held its second Executive Board where attendees met virtually to discuss new business, participate in a training session, and Executive Board members gave updates on their positional and departmental work. For reference, Executive Board members consist of the MASC Elected Officers, Appointed Staff, Regional Presidents and Second Vice Presidents, and Regional Student Board Members.

During the meeting, members voted on five pieces of legislation:

1. *State SMOB Election Rules*
2. *Legislative Session General Assembly Standing Rules*
3. *MASC Officer Election Rules*
4. *MASC Convention General Assembly Standing Rules*
5. *Selection for State SMOB Nominees*

Items 1-4 were approved by a simple majority and Item 5 was tabled for the next Executive Board Meeting.

MASC was thrilled to welcome Christina Alton, the Harford County Mental Health Specialist to the meeting to provide participants with a suicide prevention workshop that focused on the QPR model - Question, Persuade, and Refer. Ms. Alton sees this as a vital tool for mental health first aid designed for anyone (not just professionals) to use. Participants were also provided with the opportunity to attend workshops geared toward planning for upcoming conferences - Legislative Session and Convention.

New at this meeting were pre-recorded staff reports from Executive Board members that were uploaded to a Flipgrid page. The video reports remain available and can be viewed anytime. Check out the MASC website for the link and more details.

In addition, MASC continued its goal to foster a community of student leaders by structuring in time for attendees to get to know one another. During lunch, themed Zoom rooms were opened for anyone to join and partake in meaningful conversation with topics that ranged from pop culture to ideas for future events.
