

# FUNDdrive®

**Sign up for Information  
and Support**

<https://tinyurl.com/yhce4k2j>

*Please use the Maryland Association of Student Councils (MASC) referral link/QR code above for your first FUNDdrive.*

Organizations earn an average of \$600! No door-to-door selling is required. Simply collect gently used items from your community (clothing, shoes, books, small household items, CDs/DVDs, etc.) and FUNDdrive will pay your nonprofit directly for those items.

**It's not just good for your organization/school, it's good for the environment!**

FUNDdrive gathered all the tips and tools that they know lead to a successful event and put them all in one easy to navigate dashboard.

Getting started is easy, just check out the dashboard updates and start earning funds.

FUNDdrive can provide promotional templates, tips and tricks from FUNDdrive organizers (how to plan a promotion strategy or put the “FUN” in FUNDdrive).

They also will then offer you a “referral” bonus program so you can earn even more money. The FUNDdrive dashboard makes earning funds a breeze.

**Fundraising success is just a click away!**

# FAQs

**How do I get started?**  
Simply complete the contact information. A FUNDrive representative will be in touch.

**What groups can participate in the FUNDrive program?** FUNDrive groups must be a non-profit and/or charitable organization (public schools meet this qualification).

**What are the delivery guidelines?**  
Organizations must provide an accurate bag (clothing) and box (small household items, books, CDs, DVDs, etc.) count and have a pre-scheduled delivery appointment (date and time). To make delivery more convenient, a rental truck allowance is available for deliveries meeting a minimum volume requirement.

**What is accepted during a FUNDrive®?** A FUNDrive® representative will provide you with specific opportunities available at your local store drop off location. Typically, however, stores are looking to purchase gently used clothing, books, and household goods.

**Is the FUNDrive program available everywhere?** FUNDrive is available where most Savers, Value Village, 2<sup>nd</sup> Ave., or Unique stores are located in the U.S. and Canada – it is not available in Minnesota or Quebec.

**Why do we have to sign an agreement and provide a W-9?** The agreement is to ensure all the details of the buy/sell relationships are communicated clearly (and for FUNDrive to fulfill their federal end-of-year tax reporting requirements).

**When will we receive payment for a FUNDrive.** Payment will be made directly to the nonprofit organization after the delivery and the bag/box count confirmed.

**On average, how much does an organization earn?** Most organization earn at least \$600 per FUNDrive.
