September 2023

Dear Principal:

Education Article §2-202 of the Maryland General Assembly Statute authorizes the appointment by the Governor of a student member to the Maryland State Board of Education (SMOB). Approved in 1985 and amended in 2007, this legislation specifies that the Maryland Association of Student Councils (MASC) shall nominate two students for the Governor's consideration. One of these nominees will be appointed by the Governor to serve a one-year term as the Student Member of the Maryland State Board of Education.

The responsibilities of this position are extensive. A copy of the position description is enclosed for your information (Attachment A). The student member must spend one or two days per month in attendance at State Board meetings. Considerable time prior to each meeting must be devoted to reviewing policies and programs scheduled for action or review by the State Board. In addition to the monthly meetings, the student member spends about two weeks per year attending the convention of the Maryland Association of Boards of Education (MABE) and/or the National Association of State Boards of Education (NASBE) and other State Board workshops/retreats.

It is now time to select nominees for the Governor's consideration for the next SMOB. **Each public high school in Maryland is invited to nominate one student for this position.** The student nominee must be regularly enrolled in a public high school, in good standing, and a junior or senior as of July 1, 2024, meaning a current sophomore or junior. The school nomination process may be an actual election within the student body or the nomination might be the consensus of the Student Council or the Executive Board of the Student Council. Please consider the most capable sophomore or junior who could ably serve in this position. The student, appointed by the Governor, will serve a one-year term on the State Board, from July 1, 2024, to June 30, 2025.

Should the school elect to nominate a student for this position, it is recommended that you identify the nominee as soon as possible in order to give the student adequate time to prepare his or her application packet. A letter to the selected student is attached (Attachment B). Students that you have identified or have expressed interest in being a SMOB applicant are **highly encouraged to attend the virtual SMOB Informational Webinar (interest meeting) on October 12th.** Students can sign up for this informational meeting on the MASC website (<https://mdstudentcouncils.org/index.php/smob-informational-meeting/>).

The **School Nomination Form must be scanned and uploaded to this Google form** (<https://forms.gle/ZMCeAEXMHJFt7ZFTA>) **by 5:00 p.m., Monday, November 20, 2023** (Attachment C). Student nominees should expect a notification from MASC as soon as their school's nomination form is received. Nominees should work with their school's administration to ensure that the deadline is met.

The student nominee must complete an online application, upload a one-page résumé, three essay responses, and a recording of why they want to be the student member on the State Board of Education. (Attachment D). In addition, four recommendations (one from the principal, one from a teacher, one from a student council or student activity advisor, and one from a community leader), must be completed using this Google form (<https://forms.gle/4aecbKXtFRmAPbHw9>). Refer to Attachment E to see the requested information from the recommender (Attachment E). No more than four recommendations will be accepted. **The completed nominee application packet must be received no later than 5:00 p.m., December 11, 2023. Incomplete or late applications will not be considered.**

All complete applications will be screened and rated, and a select number of candidates will continue to the next stage of the process for interviews. Those nominees will be contacted by December 30, 2023, to schedule a virtual interview time for Saturday, January 13, 2024. A committee of students and one regional student council advisor will conduct interviews via Zoom.

The interview committee will select up to five finalists who will be required to give speeches at the MASC General Assembly held at the Convention (*Ashore Resort & Beach Club, 10100 Coastal Highway, Ocean City MD 21842*), Wednesday, February 28 through Friday, March 1, 2024. If selected as a finalist, nominees will register with their school delegation to attend the MASC Convention. Online registration can only be completed by a school advisor or a school administrator during the registration period: **Wednesday, January 3 through 11:59 p.m., Friday, January 26, 2024** at <https://mdstudentcouncils.org/index.php/convention/>. The cost of the Convention is \$315 per student (to cover the cost of the hotel room, meeting and banquet space, all meals, contracted vendors, materials, etc.). If the school is unable to pay the full registration fee, MASC will work with the school principal and school system superintendent to ensure the registration of the nominee. At the Convention, nominees give speeches, participate in a question-and-answer session, and will have several opportunities to campaign before the MASC voting delegates will elect the two final nominees. The names of the two MASC nominees will be forwarded to the Governor for his appointment consideration.

We strongly encourage you to nominate a qualified student from your school for this important position by completing Attachment C and uploading it to the specified Google form. Please provide a copy of the attached information and nomination materials to your school's nominee (Attachments A- position description, B- letter, D- Application Packet Instructions, and E- Required Recommendations). Nominees must be available to participate in the entire selection process. If you have any questions, please do not hesitate to contact me at Karen.Crawford@mdstudentcouncils.org or Nicete Moodie, the Executive Director, at Nicete.Moodie@mdstudentcouncils.org

Sincerely,

Karen L. Crawford
Assistant Executive Director, Maryland Association of Student Councils

**MARYLAND STATE BOARD OF EDUCATION
Student Member Position Description**

ROLE OF THE STUDENT MEMBER:

The student member provides *an informed student viewpoint* to the State Board of Education. The function of the student member is not to represent all students or any particular group of students on an issue. The student member must respect the diversity of students' points of view and develop a position that will be consistent with the best interest of Maryland students.

The student member is an official member of the Board and, by statute, has a partial vote, voting on all issues except for legal appeals and the removal and reprimand of personnel.

RESPONSIBILITIES OF THE STUDENT MEMBER:

1. To be an informed participant and voter in Board discussions and actions. This is accomplished in part by reviewing and analyzing large packets of information provided prior to each Board meeting. Board packets typically include the following:
 - a) agenda;
 - b) minutes of previous meetings;
 - c) background information and recommendations for policy and program discussions and actions;
 - d) resolutions/legislation; and
 - e) budget and personnel documents.

In addition, the student member must read additional information including articles, journals, and reports sent weekly to Board members.

2. To develop a thorough understanding of current statewide educational issues that directly impact Maryland's students and to share this information with students and student leaders statewide. This can be accomplished by:
 - a) meeting throughout the year with the Maryland Association of Student Councils (MASC) at Executive Board meetings and other conferences/meetings as appropriate;
 - b) meeting with county student Board members/representatives; and
 - c) being accessible to hear the concerns of Maryland's diverse student population.
3. To attend and/or speak at various education and youth-related conferences and events.
4. To participate in the selection process of the incoming student Board member.
5. To provide an orientation to the next student Board member and write an end of the year report, summarizing key issues before the Board and actions of the Board during the student member's term of office for use by the incoming student Board member.

ATTENDANCE REQUIREMENTS:

1. To attend monthly one-day Board meetings, generally held at the Maryland State Department of Education in Baltimore City.
2. To participate in various educational events as a representative of the State Board, including education forums held in various regions of Maryland, either in-person or virtually.
3. To participate in the Maryland State Board of Education's new member orientation.
4. To attend the annual State Board retreat.
5. To attend as much as possible MASC Executive Board meetings and conferences to report on important educational issues and to seek student input on those issues.

CANDIDATE SELECTION:

1. Each public high school in the state is invited to nominate one student for the position of student member on the State Board of Education. Nominees submit applications that include a résumé, three essay responses, a recorded response as to why they want to be the student member, and four recommendations. We strongly recommend that any interested student attend the virtual SMOB Informational Webinar (interest meeting) on Thursday evening, October 12, 2023. Students can register using this link <https://mdstudentcouncils.org/index.php/smob-informational-meeting/>.
2. Applications are screened and rated by a committee including the MASC president and 2nd vice president, one regional student council president, one regional student council advisor, and the current student member of the State Board of Education. Substitutions to this committee will be made if any of these people are from a candidate's county/city.
3. The committee interviews top applicants with complete applications and selects up to five candidates to progress to the next stage in the process.
4. At the MASC Convention, approximately 800-900 high school and middle school students elect two nominees whose names are submitted to the Governor.
5. The Governor appoints one of the two nominees to serve as the student member to the State Board of Education.

September 2023

Dear Student:

Thank you for your interest in serving as the Student Member of the Maryland State Board of Education (SMOB) for the 2024-2025 school year. You are receiving this letter because your school has nominated you as a nominee for SMOB. The responsibilities associated with shaping State education policies are extremely challenging and rewarding, and your desire to serve the citizens of Maryland in this capacity is commendable. The Maryland Association of Student Councils (MASC) carries out the selection process, which is described in the enclosed Position Description (Attachment A).

The responsibilities of this position, detailed in the enclosed Position Description, are extensive. Prior to making the decision to pursue this position, please carefully consider your ability to miss a great deal of school, commit a significant amount of time outside of school, and to transport yourself to meetings. We strongly recommend that you attend the virtual SMOB Informational Webinar (interest meeting) on Thursday evening, October 12, 2023. Students can sign up for this webinar on the MASC website (<https://mdstudentcouncils.org/index.php/smob-informational-meeting/>).

In order for you to be nominated for this position, your **School Nomination Form must be received by 5:00 p.m., November 20, 2023.** The School Nomination Form must be scanned and uploaded to the designated Google form by the principal or their designee. Your completed application must be uploaded by 5:00 p.m., December 11, 2023. Incomplete or late applications will not be considered. Student nominees should expect a notification from MASC as soon as their school's nomination form is received. Nominees should work with their school's administration to ensure that the deadline is met.

All complete applications will be screened and rated, and a number of nominees will be selected for interviews. Those nominees will be contacted by December 30, 2023, to schedule a virtual interview time for Saturday, January 13, 2024. A committee of students and one regional student council advisor will conduct interviews via Zoom. You will need to prepare a brief presentation for the interview. Details and directions will be sent to you if you are selected to continue to the interview stage.

The interview committee will select up to five finalists who will be required to give speeches at the MASC Convention (Ashore Resort & Beach Club, 10100 Coastal Highway, Ocean City MD 21842), Wednesday, February 28 through Friday, March 1, 2024. The final nominees register with their school delegation to attend the MASC Convention. Online registration can only be completed by a school advisor or a school administrator during the registration period: Wednesday, January 4 through 11:59 p.m., Friday, January 6, 2024 at <https://mdstudentcouncils.org/index.php/convention/>. At the Convention, nominees give speeches, participate in a question-and-answer session, and will have several opportunities to campaign before the MASC voting delegates will elect the two final nominees. The names of the two MASC nominees will be forwarded to the Governor for his appointment consideration.

Please review the attachments and carefully complete the application packet. If you have any questions, please do not hesitate to contact me at Nicete.Moodie@mdstudentcouncils.org or the assistant executive director, Karen Crawford at Karen.Crawford@mdstudentcouncils.org. As part of your participation in this selection process, you may find it useful to attend an upcoming meeting of the State Board of Education. You may contact me for information regarding these meetings. I also encourage you to visit the State Department of Education website at www.marylandpublicschools.org.

Sincerely,

Karen L. Crawford
MASC Assistant Executive Director
