

Mike Michaelson

Advisor of the Year Award

2023-2024

Description: At the school, region, and statewide levels, student council advisors work hard to support student council activities. All student council advisors contribute to the success of student council organizations. The MASC Advisor of the Year program was created to recognize the contributions of advisors to student council success across the state of Maryland. While the award does single out an individual on the state level, the purpose of the award is to highlight the many contributions made by all student council advisors throughout the state. In 1995, the Maryland Association of Student Councils Executive Board formally named the Advisor of the Year award in honor of Mr. Mike Michaelson, the regional advisor for the Montgomery County Region of MASC (MCR) who retired after serving as an advisor for thirty-seven years. He also was an “acting” MASC executive director in .
