

Registration Worksheet

Use this worksheet **before you go on-line** to help organize your delegate information and make on-line registration quick and easy. MASC recommends that you require students to complete and submit to you their *Participant Emergency Information Form* before you register on-line. Advisors that have done this say that very few students cancel, and their info is much more accurate. Please use the information below when preparing for on-line registration.

- Names – First Name, then Last Name. Check spellings and please use title-case (**Capitalize First Letters Only**).
- Role – All students will be registered as *School Delegates* or *MASC Ex.Bd.* (Advisors will be notified re: *Presenters.*) Adults as *Advisors.*
- Grade – Advisors are “NA.” Please check for accuracy.
- Bringing Meds – Enter “Yes” if bringing medication to the event. In such cases, submit a copy of the form that your school or district requires to the event nurse at check-in.
- Special Diet – Vegetarian, vegan (they are not the same), pescatarian, or other dietary requirements.
- Special Accommodations – Enter any special needs, e.g. type of medication being brought, allergies, or other important information needed by the hosts or on-site nurse.
- Workshops – *HS students only* – All high school delegates will be scheduled to attend workshops based on their preferences and availability. Use the **Workshop Descriptions** document at <https://mdstudentcouncils.org/index.php/fall-leadership-conference/> to obtain your students' preferences. Students without preferences will be assigned arbitrarily by MASC.

If you have questions, please contact the MASC Registrar at wayne.perry@mdstudentcouncils.org.
