

Maryland Association of Student Councils

<http://www.mdstudentcouncils.org>

Hello Delegates & Welcome to MASC Convention 2024!

We are excited to have you attend the 2024 MASC Convention, in Ocean City, Maryland! Convention is the largest MASC event of the year and we are proud to be able to share it with you. As this year's Convention hosts, the Northwood High School Student Government Association and the Calvert Association of Student Councils have worked tirelessly with MASC to plan and create an amazing experience as we get ready to “rock on” at this conference!

At Convention, our General Assemblies serve many functions, namely conducting official MASC business, approving MASC’s bill stances for the 2024 Legislative Session, and electing our 2024 - 2025 MASC Officer Team and Student Member of the state Board of Education (SMOB) nominees to the Governor. Additionally, students will attend a newly refreshed Civics of MASC workshop to learn the basics of local student representation as well as student-created workshops on all topics pertinent to student leaders. Convention will feature a motivational speaker, Logan Taylor from YB Normal?, who will also be facilitating several workshops.

Aside from the extensive leadership activities and workshops in which you'll participate, there will also be the opportunity to engage in recreational activities, network, and simply relax. Students will get to sing their hearts out during karaoke night, bust their best dance moves out on the dance floor, and cheer on their peers during our yearly talent show! A full list of activities can be found in the program app (bit.ly/MASCConvention) and at the MASC Information Center in the lobby.

In the midst of busy work schedules and classes, we hope this relaxing beach “vacation” of musical wonders will re-energize you to return to your community with new ideas and passion projects to fulfill. We hope that you and your delegation are excited to “rock the podium” and “lead to our beat” in the leadership encore of the year!

Respectfully,

Angelina Xu
