

Chapaerone Duties:

It is important that all advisors cover their chaperone assignments. If an emergency arises, please contact your regional advisor to provide coverage. The majority of the regional advisors were not assigned a duty so they are available to step in and help.

Note: Advisors chaperoning workshops are asked to complete an observaation form. As requested, MASC has created an on-line observation form. If your preference is a paper copy, please pick up the paper copy at the MASC Information Center (lower lobby).
