

2024 MASC Convention Workshop Locations

It is important that all students attend their assigned workshop. MASC strived to place students in the workshop category that they selected during registration. The student workshop presenters have spent a lot of time preparing for their presentation. In addition, thank you for understanding larger workshop groups as the workshop breakout areas at the hotel are limiting.

Workshop assignments are listed by letter on the student name badge in order of the session.

	SESSION 1 Wed 7:30-8:10	SESSION 2 Thurs 11:00-11:40	SESSION 3 Thurs 1:40-2:20
