Code	Title	Project Playbook Description
PP1	Special Issues Project - Environmental	In this interactive session, we will explore the vital role student councils can play in leading sustainability initiatives within schools. Our goals are to identify current efforts, brainstorm innovative solutions to sustainability challenges, and integrate effective plans into delegates' schools. Join us as we empower student leaders to drive meaningful change towards a sustainable future in their schools!
PP2	Special Issues Project - School Safety	Join us for an engaging workshop designed to empower students as advocates for school safety. We will raise awareness about key safety concerns and introduce the Student Advocate for School Safety Program (SASS). This workshop aims to inspire student leadership in creating safer school environments. Join us to take the first steps in becoming advocates for change!
PP3	Special Issues Project - Service	Join us for an inspiring workshop focused on the power of service and kindness in our communities! The Service Coordinators will guide you through how small acts of kindness can lead to significant impacts, including creating thoughtful cards for hospitalized children. Let's come together to make a positive difference in our communities through service!
PP4	Special Issues Project - State Legislative Affairs Coordinators	Join Lobbyist Barbie and our State Legislative Affairs Coordinators in this engaging workshop! SLACers will guide you through the basics of giving testimony on bills and local policies, making the process accessible, fun, and clear. You'll leave with a better understanding of how to voice your opinion effectively in public forums. This workshop makes learning testimony easy and enjoyable, bringing participants closer to civic engagement through interactive tools like origami and creative scenarios with Lobbyist Barbie!
PP5	Special Issues Project - Mental Health	This interactive workshop empowers student leaders to design impactful mental health initiatives for their schools and communities. Participants will explore the importance of mental health advocacy and reduce stigma around it. Through guided discussions, examples, and a hands-on project template activity, delegates will gain practical tools and insights to create their own mental health projects. This workshop will equip delegates with the tools they need to plan, prepare, and execute mental health initiatives, helping them become active mental health advocates in their schools.
