

Hello! My name is Prisha Geire, and I am a proud student leader from Perry Hall High School in Baltimore County. I am beyond honored and excited to be a candidate for your next MASC treasurer!

My journey with MASC began in 2022 as an eager eighth grader attending my first Advance, and since then, my passion for this organization has only grown. Over the past three years, MASC has given me lifelong friendships, unforgettable memories, and, most importantly, invaluable leadership lessons. I am thrilled for the opportunity to give back to the organization that has shaped me and to serve as a dedicated and responsible treasurer.

My platform:

C

- Control Spending

As treasurer, I will ensure that MASC's funds are used efficiently and responsibly. Through my **experience as class president and fundraising coordinator**, I have successfully managed budgets, organized fundraisers, and prioritized spending to maximize impact. I will apply these skills to MASC by focusing on essential expenses, while minimizing unnecessary costs. My goal is to make **every dollar count**, ensuring that our financial resources directly enhance the experience of MASC members.

O

- Oversee Fundraisers

I will plan and oversee fundraisers that are engaging and likable to all. Ideas **like** bringing food trucks to Convention and **hosting** a Rita's fundraiser at Advance can make the fundraising process both enjoyable and successful. Additionally, I will collaborate closely with my finance committee to brainstorm new initiatives, ensure smooth execution of fundraising efforts, and track financial progress. By working as a team, we will maximize participation and **achieve** the necessary funds to support MASC's programs and events.

U

- Utilize Grants

As a **registered 501(c)(3) nonprofit**, MASC has access to valuable grant opportunities, and I will actively seek out and apply for these resources. By securing grant funding, we can support initiatives, events, and leadership programs without adding financial burdens on students, ensuring that MASC remains accessible and impactful for all.

N

- Navigate Priorities

MASC serves a **diverse student body** and I will ensure that our priorities aligns with the organization's goals. Whether it's leadership development, accessibility, or advocacy efforts, I will work closely with the executive board to make informed financial decisions that reflect the **needs** of all members.

T

- Track Memberships

MASC thrives on strong student involvement, and **tracking memberships** is critical for effective financial planning. I will work to make membership more accessible for students and schools with financial limitations by advocating for the importance of leadership within youth. By engaging with schools **directly**, I'll help ensure that every student has the opportunity to be part of MASC.

CANDIDATE FOR TREASURER 2025-2026

EDUCATION

- Perry Hall High School | Co '27 | **Baltimore County**
 - 23-24 | 1 AP I - 24-25 | 2 AP's I
