

Ronith Girish

Frederick County ——— MASC Treasurer Candidate

Hello, everyone! My name is Ronith Girish, an incoming freshman at Urbana High School in Frederick County. I am truly excited to be a candidate for the MASC Treasurer. From my experiences on the MASC Executive Board as an Evaluation Coordinator to my leadership in student government and community initiatives, I have developed the skills and dedication necessary to serve as Treasurer.

My campaign is built on G.R.O – Growth, Responsibility, Opportunity.

- **Growth** – We can expand MASC’s financial resources to support more projects and increase outreach. If elected, I plan to implement new methods to fund raise, secure sponsorships, and explore different grant opportunities to increase our potential as MASC.
- **Responsibility** – We will make sure that there is careful, ethical, and transparent management to sustain MASC and allow us to thrive. I will work closely with the bookkeeper for all financial records, and I will create detailed reports for MASC’s membership to maintain retention-ship. I ensure that there will be detailed reports with spending, and I will increase communications between everyone. We will make social media posts, to ensure that the general population understands where funds are going.
- **Opportunity** – We will make different financial opportunities to all students coming from diverse backgrounds to attend and engage in different MASC events and leadership programs. We will increase accessibility to different funding opportunities. We will make sure financial barriers will not limit our student involvement.

If elected for Treasurer, I will start new fundraising opportunities and expand existing opportunities, such as, MASC’s Merchandise, and I will instate different Crowdfunding Campaign’s. I will also maintain in-depth financial reports that are accessible to the executive board. As well, I will hold monthly meetings to discuss different ways we can make more opportunities. I will provide reports during executive board meetings to talk about how we can improve our spending.

I will work closely with my fellow officers and the students to make the financial process more efficient and effective. With clear communication and immense planning. I will ensure that MASC will have the capability to thrive. I am excited for the opportunity to serve as your next Treasurer. Together, we can strengthen MASC’s financial foundation and expand its impact. With G.R.O., we will make a better, more sustainable MASC!

**A Vote for me is a
vote for you!**

Ronith Girish

Summary

Passionate about becoming a student leader and advocate, I strive to amplify student voices, promote inclusivity, and drive meaningful change by implementing innovative solutions, fostering collaboration, and ensuring transparency in leadership.

Experience
