Four things you can't recover:

The stone.....after it is thrown.

The word.....after it is spoken.

The occasion.....after it is missed.

The time.....after it is gone.

Be kinder than necessary, for everyone you meet is fighting some kind of battle.

You will just never know

what someone is dealing with behind closed doors. No matter how happy someone looks, how loud their laugh is, how big their smile is, there can still be a level of hurt that is indescribable. So be kind. Even when others are not, choose to be kind.
