The MASC President shall report any formal written complaints to the MASC officers. In cases involving a failure to fulfill staff responsibilities, the officers and directors—along with the Executive Director—may, if appropriate, hold a conference with the appointed staff member involved.

Following this conference, an improvement plan shall be developed, aligned with the staff member's established duties and responsibilities. The staff member will enter a probationary period of two weeks (or another appropriate timeframe, as determined), beginning on the date of the conference, to comply with the terms of the improvement plan.

If the staff member fails to meet the expectations outlined in the improvement plan within the specified time, they may be removed from their position by a three-fourths (3/4) vote of the MASC officers.

#### **Section 3. Ethical Violations**

In the event of an ethics violation or a serious behavioral offense within MASC, the MASC officers may take immediate action upon receiving a formal written complaint. Removal of a staff member under these circumstances requires a three-fourths (3/4) vote of the MASC officers.

If a behavioral violation occurs during a conference where the staff member is registered through their school, the matter shall be addressed by the school's advisor and principal, who hold primary responsibility for the student.

For more confidential or sensitive situations, the MASC Executive Directors and the Chair of the Board of Directors will review the matter and take appropriate action.

# **Section 4. Resignations**

If an appointed staff member chooses to resign, they must submit a written resignation to both the MASC President and the Executive Director.

# Section 5. Vacancies

Vacated positions shall be filled by a presidential appointee, subject to confirmation by the MASC Leadership Team. When applicable, the appointee should be selected from the relevant standing committee associated with the position or from candidates who applied during the staff application process.

#### **Section 2. Nominations**

Each public high school in the State shall be notified annually that it may nominate one student for consideration for the position of Student Member of the Maryland State Board of Education.

The selection committee will invite up to twelve top-rated nominees to participate in structured interviews. Following the interviews, the committee may select up to five finalists.

#### Section 4. Election of Two Nominees

The finalists shall deliver speeches before the MASC General Assembly. Following the speeches and a question/answer session, voting delegates will select their top two nominees. The names of these two finalists will be submitted to the Governor for consideration for appointment to the Maryland State Board of Education. Nominee names must be submitted to the Governor no later than forty (40) days before the close of the Maryland General Assembly.

# ARTICLE VIII: Finance/Program Policy for MASC-Sponsored Activities

At the time of bid submission for a MASC-sponsored conference, the host school or regional organization must first submit a signed bid contract, along with a proposed facilities plan and a detailed event budget, following the bid proposal guidelines and using the provided budget spreadsheet. These materials will be reviewed by the Executive Board, which will evaluate all proposals and select the host site accordingly.

The MASC Leadership Team shall serve as the official MASC Conference Planning Team and will be responsible for the planning and implementation of all MASC conferences. Throughout this process, the planning team may seek input or recommendations from the Executive Board as needed.

In the event of a financial deficit resulting from a conference, MASC shall absorb the loss. Any decisions regarding the distribution of proceeds from a mutually sponsored MASC activity shall be made by the MASC Board of Directors.

Within two months following the conference, the MASC Treasurer shall submit a report to the Executive Board, which must include a comprehensive financial statement detailing the outcome of the event.

# ARTICLE IX: Reimbursement Policy
