# ANGELINA FOR TREASURER

Hello MASC!

I am Angelina Carmel C. Thompson, a freshman at Montgomery Blair High School in Montgomery County. I started my student council journey in 6<sup>th</sup> grade and have continued being the Class of 2029 President at my school, as well as serving in roles on the school, county, state, and international levels. With my Involvement in MASC as a Workshop Presenter and member of the Social Media Committee, as well as a Candidate for the Blood Cancer United Student Visionaries of the Year program, I have decided to run for MASC Treasurer for the 2026 to 2027 school year!

As a candidate for your next Treasurer, I know that financial management is about more than just numbers; it's about making our goals possible. Seen through my platform, M.O.N.E.Y., I will work to ensure that our organization has the stable foundation it needs to succeed.

## M O N E Y

### **anage with Transparency**

You deserve to know exactly where every dollar goes. I will implement clear, accessible reporting so that financial decisions are never made in the dark.

### **ptimize Outreach & Opportunity**

I will work to expand scholarship programs to ensure that MASC is accessible to every student, regardless of their school or county.

### **ew Revenue Streams**

I will proactively seek out partnerships and sponsorships, ensuring we are not just saving funds, but actively expanding our reach and impact.

### **quitable Resource Distribution**

I will ensure that resources are allocated based on need and impact, through the creation of a grant, so every MASC school feels supported.

### **ielding Results for You**

I am committed where my focus is on turning financial management into tangible advocacy and better experiences for all members.

I don't just want to manage our budget; I want to treasure your trust. With a vision for transparency and a plan for growth, I'm ready to make every cent count for us. On election day, invest in our future and vote Angelina Carmel C. Thompson for MASC Treasurer!
