

CASSIDY KIM

2026 - 2027 MASC TREASURER CANDIDATE

Hi MASC,

My name is Cassidy Kim, and I'm a freshman at George Washington Carver Center for Arts and Technology in Baltimore County. I am so honored to be running as a candidate for your next MASC Treasurer. When I joined student government in 7th grade, I didn't know the major impact it would have on my life. Through MASC, I found my love for advocacy and event planning, learned how to make real changes, and created countless connections with other students. MASC has given me a community that supports me. Now, it's my turn to give back and support you.

M - Manage Funds Responsibly

As Treasurer, I would carefully manage MASC's budget to ensure funds are used efficiently and intentionally. By prioritizing essential expenses and planning ahead, I will make sure every dollar supports meaningful programs and events for our members. It would also be my duty to openly share updates on social media accounts to be sure I am providing honesty and transparency.

A - Advance Fundraising Efforts

Fundraising is crucial to MASC. I would develop creative and engaging fundraising opportunities that encourage participation from all schools. One idea I have is "County Spirit Nights" where MASC would partner with chain businesses. Each county would have a designated date and location to raise funds for MASC, promoting friendly competition, while working towards the same goal.

T - Team-Based Financial Planning

First and foremost, MASC is a community built on student leaders coming together to create change. I would work hard to ensure that the Finance Committee and Executive Board would have the opportunity to set clear financial goals and be heavily involved in the process. Not only that, but I would give everyone a chance to share their views on where funds should go by using surveys and polls.

H - Help Expand Membership Access

One of my main goals would be to expand MASC membership to all schools. A step I would take is to make MASC membership more financially accessible by supporting schools with limited resources and exploring grants so every student has the opportunity to be involved. Additionally, I would reach out to each school directly in order to encourage student involvement through principals and SGA advisors.

I am so thrilled to have the opportunity to run for MASC Treasurer. Thank you so much for your time and consideration. I hope to make MASC better together next year. Remember, if you do the M.A.T.H., the answer = Cassidy.
